## CHRISTIAN ACADEMY

August 1, 2021

Dear Parents,

What an amazing summer PCA has had! We continue to stand amazed at all that God has done for us and all that He has allowed us to accomplish. We look forward to returning to normal operations without the challenges of following COVID protocols. Students, faculty and parents who prefer to wear masks will be allowed to do so but masks will not be required anywhere on campus.

We are so thankful for a growing enrollment as we have added around 115 more students over the summer to our student body for a total enrollment number of 270 as of today. Many of you have communicated with friends and family members how much PCA has impacted your children's educational experience and we are so thankful for that.

Over the summer, several campus wide changes have taken place. The MS/HS building has been almost completely remodeled with new paint, flooring, the addition of a new classroom and the addition of a new faculty men's restroom. Our elementary building has seen new paint and new flooring in the aftercare center and VPK center rooms. Mrs. Lewis, our kindergarten principal and Mrs. Abbott, our learning center supervisor, moved into remodeled offices this summer.

We are blessed to welcome several new teachers and staff this year including: Mrs. Brittany Gamble (VPK assistant), Mrs. Caroline Nipper (kindergarten), Mrs. Lorraine Brunkhorst (first grade), Miss Bri Sutton (fifth grade), Mr. Randy Padgett (MS/HS math), Mr. Wesley Strobel (6th Bible, LC) and Mr. Jeff Shuler (facility director). Some faculty and staff have assumed new positions this year: Mrs. Amy Lewis is our new kindergarten principal, Mrs. Jovita Evans has taken the role of a VPK lead teacher of our second preschool class and Miss Shelbie Effler has moved out of the classroom and into the gym as our full time P.E. teacher.

Thank you for your partnership as we begin our 47th year of educating students with a biblical worldview.

Serving Together,  
Rachel Guiel  
Lead Principal
